

“TECHNOLOGY AND TALENT, TO GO BEYOND THE SIMULATOR”: A WORKSHOP FOR KART DRIVERS AT AUTODROMO DI MONZA ON 19TH OCTOBER, ALONGSIDE WITH THE 7TH ROUND OF THE ITALIAN F.4 CHAMPIONSHIP POWERED BY ABARTH.

MONZA, ITALY, 13TH OCTOBER 2017

WORKSHOP FOR TALENTED DRIVERS.

An occasion to be seized scheduled for next week: a workshop to learn with the simulator and to get familiar with the technology used on this apparatus. The venue of the workshop is the Autodromo di Monza on 19th October: “Technology and talent to go beyond the simulator,” that’s the title of the meeting scheduled at the same weekend of the 7th round of the Italian F.4 Championship powered by Abarth: a double, unmissable appointment for all the kart drivers that are going to move to the single-seaters.

TECHNOLOGY AND DRIVING TRAINERS.

A large group of qualified lecturers are going to deal with the topic at the circuit in Monza. Among them, the F4 driver Lorenzo Colombo, the F.3 and Porsche Super Cup driver Alessio Rovera, the F1, Indycar and Le Mans Race Engineer Roberto Hernandez Garcia and the Team manager Cristiano Giardina. The appointment is on Thursday 19th October at 2,00pm, room 600, the entrance is free. Booking at info@avehil.com. Further information www.avehil.com.
