Evento: Tony Kart Racing Team – 23[^] Winter Cup

THE RACING TEAM READY FOR THE 23RD WINTER CUP

In OKJ class we will see Sebastian Montoya at his debut with our Racing Team, while in KZ2 we will have an important guest from the single-seater scenario

The Tony Kart Racing Team gets back to the track, in what can be called its "home circuit", the South Garda Karting of Lonato. In the long weekend from 15 to 18 February, in fact, the **23rd Winter Cup** edition will take place, the traditional race of the international competition calendar.

More than 300 drivers from all over the world at the starting grid. Our Racing Team will not attend the race with the drivers of the Mini category, which will be on track on the occasion of the 2nd round of the WSK Super Master Series.

However, many will be the surprises in **KZ2**. In fact, in addition to our two official drivers **Matteo Viganò** and **Simo Puhakka**, there will also be a talent from the **Ferrari Driver Academy: Antonio Fuoco**. The Italian driver, engaged in last F2 season, will make a leap back in his recent competitive past, fighting in a very competitive category that counts not less than 100 entries.

In **OK** class **Noah Milell** and **David Vidales** are ready to fight for the victory. In the **OKJ** category, on the other hand, **Josep Maria Martì** and **Laurens Van Hoepen**, joined by **Sebastian Montoya**, at their debut with our colors.

The event will be entirely available in **live timing**, while the Sunday finals will be also visible in **streaming TV** at www.southgardakarting.it
