Panta becomes official fuel provider of the DKM

Uniform fuel at the German Kart Championship

Frankfurt am Main. Fuel provider Panta becomes official provider of the German Kart Championship 2018. After a call for proposals, the DMSB chose the corporation from Italy. All four kart grade series DKM (German Kart Championship), DJKM (German Junior Kart Championship), DSKM (German Shifterkart Championship) and DSKC (DMSB Shifterkart Cup) are going to start with the uniform fuel.

By the drivers' and teams' request, the DMSB looked for a uniform fuel provider via tender panel. After sampling the proposals, they chose the Panta corporation from Italy. In 2018, all four kart grade series DKM (German Kart Championship), DJKM (German Junior Kart Championship), DSKM (German Shifterkart Championship) and DSKC (DMSB Shifterkart Cup) are going to start with the uniform fuel. Panta is also a partner of the CIK-FIA.

From Thursdays on, the uniform fuel can be purchased from fuel provider Panta right at the race track at all five races – a 25l barrel is going to cost 72€ incl. VAT. The DMSB hereby complies with the drivers' and teams' requests: They had asked that the price per liter wasn't going to be more than 3€. Additionally all race winners of the four grade series are going to receive a voucher for a 25l barrel.
