ALEX IRLANDO HEADS TO KARTING GENK

The BirelART's factory driver Alex Irlando is ready to take part to the second round of the FIA Karting OK European Championship in Genk, Belgium.

The Apulian driver goes to Genk to keep on taking home good results: after the podium in Wackersdorf and the win in Castelletto, Alex aims to improve his championship position in the FIA Karting OK European Championship.

"I'm really positive for the second round in Genk. I love this track and I feel good with my technical package. In Angerville we made a big step forward and my goal for this weekend is to improve the previous result. I just can't wait to start the weekend!"

Here is the program of the weekend.
