

CRG CONFIRMS THE 24 HOURS KARTING OF ITALY IN ADRIA

CRG and **Adria Raceway** have extended their partnership for the organization of one of the most successful **Kart Endurance** events: **the 24 Hours Karting of Italy**. After three editions held on the Adria track, which had a great success in terms of organization and participation of teams, also in 2021 the event will be held on the Venetian track on the weekend of 13th and 14th of March.

The participation to the race will include the proven and winning formula of the **karts managed by CRG**, which will supply all the teams with the new **CRG Centurion** karts equipped with a Honda 390cc engine. The organization of the event will also take care of all the logistical and promotional services, such as the **live streaming of the event** on its social channels. The 24 Hours of Italy is one of the most successful international events, attracting **teams from all over the world** to the Venetian track. Among the reasons of success of this event, which has become a “classic” for Endurance Kart enthusiasts, there is the **prestigious location represented by the Adria track**, which in addition to captivating drivers with the layout of its circuit, which hosts important international karting meetings, it has ideal facilities for this type of races, such as **hotel rooms for the teams** directly above the finishing line and comfortable masonry boxes.

CRG will officially present the event soon, by publishing the complete regulation and confirming the two categories: **Pro and Silver** (amateur teams).

The registrations for the 24 Hours Karting of Italy will open on Monday 18th of January on the official CRG website. For more information, you can contact the Organization at the following contacts: +39.030.9912604 – crg@kartcrg.com
