### **WSK Promotion at work to find the best possible solutions for the 2021 racing calendar**

**The persisting Covid-19 pandemic requires careful thinking regarding the start of season 2021. WSK Promotion is working to find the best possible solutions for the forthcoming season.**

Maglie (ITA), 07.01.2021

**Due to the difficult situation of the Covid-19 pandemic in Europe and in a lot of countries outside Europe with several lockdowns currently underway, WSK Promotion is considering the chance to postpone the start to the 2021 WSK season to allow the participation of teams and drivers that currently might struggle to be present in the early WSK events.**

**In the next few days, WSK Promotion will be providing more precise information on the 2021 racing calendar that will be adapted as best as possible to the needs of the current times. The 2021 events that have been announced are confirmed and will comprise the WSK Champions Cup, WSK Super Master Series (4 rounds), WSK Euro Series (3 rounds), WSK Open Cup (2 rounds) and WSK Final Cup.**
