After being hacked, the new Instagram profile has been restored today with the name **WSKPromotion.official**. The social network dedicated to images is going to be the house of all the most spectacular videos and pictures from the racing fields and all the latest news from the WSK world.

WSK Promotion is also present on **Facebook** - @wskpromotion – where fans can find all the live coverages of the karting races and all the news, and on **YouTube** - @WSKPROMOTION - where the complete races and the highlights of each racing weekend are available.

The presence of WSK Promotion on **Twitter** - @WSKPromotion – has also been renewed to extend even further the outreach.

On top of all of this, thanks to a new collaboration, [motorsport.com](https://www.motorsport.com) will broadcast all the races of season 2022 in live streaming for an exceptional, all-around, communication offer.
