**Free practice kicked off the first of the four rounds of the new WSK Open Series at the South Garda Karting in Lonato.**

Lonato (ITA), 9.03.2023

The first of the four rounds of the WSK Open Series organized by WSK Promotion welcomed at the South Garda Karting, on the weekend of March 12<sup>th</sup>, about 200 drivers competing in the event's four categories: MINI, KZ2, X30 Junior and X30 Senior.

Born in 2018 as a single event in Lonato, the WSK Open Cup has always been successful in terms of participation since its inception, so much so that it is now proposed in a series of four rounds with the new name WSK Open Series, scheduled on four different circuits: Lonato, Cremona, Castelletto and Sarno, where the two new categories OK-N and OKN-Junior will debut in the final round.

In the WSK Open Series, as is already the case for other WSK Promotion series, points are awarded incrementally from the first to the fourth round, in order to keep as many contenders as possible in the hunt for the final title until the last event.
