

**RM CET #2 Race Recap:**

## **Halfway Through the RMC Euro Trophy**

Earlier this month, the 2nd round of the Rotax MAX Challenge Euro Trophy, held at **Prokart Raceland in Wackersdorf**, marked the halfway point of the 2024 championship.

7 categories, including E20 Senior and E20 Masters, along with the German Euro Cup by Mini MAX, were part of this second round of the RMC Euro Trophy. Only two drivers managed to replicate their performances from Genk: Enzo Bol (SP Motorsport) in DD2 and Frenchman Nicolas Picot, who has won all the races so far, including the RMC Winter Cup, in DD2 Masters. There were surprises and outsiders in the other categories.

Congratulations to Albert Friend (Strawberry Racing) who won the German Euro Cup by Mini MAX and secured his ticket to the **RMC Grand Finals in Sarno in October!**

**Coming Up in July & August:**

## **Rotax E20 E-Kart Impresses Porsche Drivers in Germany**

A few weeks ago, the biggest monobrand kart racing series, the Rotax MAX Challenge, joined the biggest auto monobrand racing series, the **Porsche Sports Cup**, in Hockenheim.

It was the perfect opportunity for competitors to **experience the Rotax E20 E-Kart** for the first time!

"The acceleration is crazy! When you go on the power, it leaves right away and that was the most impressive thing" says Wolf Henzler, Porsche Sports Cup Deutschland Talent Pool Coach & former Porsche factory racing driver.

Our team met so many race fans and passionate race drivers who stopped by to learn more about Rotax Racing, check out the E20 and E10 E-Karts or just to say hi. It was a fantastic event and we're looking forward to seeing everyone on track during the Porsche Sports Cup season again soon!
