375 DRIVERS EXPECTED IN SPAIN AT THE CALL OF IAME

The major international IAME event of 2024 takes place from 25th to 30th November at the Zuera International Circuit, near Zaragoza. After France, Italy and Portugal, this is the first time that Spain has hosted the eagerly awaited IAME Warriors Final. This prestigious event brings together the drivers who have distinguished themselves in

IAME events throughout the season, with some fifty nations represented.

After the success of the 2023 event in Portugal, Spain is next on the agenda. Due to the devastating weather events which took place at the end of October in community of Valencia.

The IWF24 was moved to the world famous Circuito Internacional de Zuera.

Four categories and an incredible show expected

Season after season, the IAME series continues to gain influence around the world, with competitions increasing on every continent. The best drivers in each of them have been rewarded with a ticket to IWF24. An impressive 375 drivers will be defending the colours of some fifty different flags. Powered by the famous X30 engine, available in several versions depending on their power range, the participants will be divided into four categories: Mini (99 entries), Junior (105), Senior (144) and Master (27).

High standards of organisation

The partnership between IAME and RGMCMC, also promoter of the IAME Euro Series, continues in 2024. The event will benefit from the latest advances in race control, timing and TV production, with high-quality live streaming. A VIP area will be available for competitors, who can also book their catering service with Severino & Son Hospitality, the famous structure that operates in MotoGP.

A carefully planned programme

After completing the administrative checks, the participants will benefit from many Free Practice sessions to prepare for the Qualifying sessions and the races in the best possible conditions. A total of 62 Qualifying Heats, seven Super Heats and four Finals promise several days of exciting competition. At the end of the day on Thursday, the grand parade of drivers and the Welcome Party will also be highlights of this unique event, as will the podium ceremony.

See you on Saturday 30th November 2024 to find out who the winners of the 13th edition of the IWF will be.
