- Online debut Saturday at 19:00 CEST
- Defending champion Robert Renauer as guest

Oschersleben: In PS on Air, a new live talk show for ADAC GT Masters fans, Patrick Simon will be taking a look behind the scenes of the racing series. “Wir grillen, wir analysieren, wir quatschen” (We grill, we analyse, we chat) – this is the formula for the live talk show which goes out every race weekend from 7pm on Saturday via [youtube.com/adac](https://www.youtube.com/adac), the ADAC GT Masters Facebook channel and Patrick Simon’s YouTube channel [youtube.com/Patsimon75](https://www.youtube.com/Patsimon75).

ADAC GT Masters fans have known Simon as the voice behind live TV broadcasting of the series for the past eight years. In PS on Air, he will also be appearing in front of the camera, introducing prominent figures from the ADAC GT Masters. Among the first guests of the inaugural show will be reigning ADAC GT Masters champion Robert Renauer (34, GER, Precote Herberth Motorsport). Together with the Porsche driver and other guests, Simon will discuss highlights of the Saturday race from the paddock at Oschersleben and shed light on the background circumstances.

“The ADAC GT Masters is a great racing series with lots of fascinating stories to tell,” says Patrick Simon. “There’s always so much going on in the races themselves that we often do not have the time to go into the fascinating minutiae on and off the track in our live coverage. PS on Air will allow us to make up for that in a relaxed setting. I’m sure the audience are going to love it.”

PS on Air – Der ADAC GT Masters-Talk will be broadcast live from the various paddocks on all seven race weekends of the ADAC GT Masters. The regular slot will be Saturday starting at 7pm CEST.
