2024 will mark the beginning of the partnership between WSK Promotion and BRP-Rotax for the Rotax MAX Challenge Winter Cup and the Rotax MAX Challenge Euro Trophy promotion.

WSK Promotion is pleased to announce the program for the RM CET Winter Cup and the RMC Euro Trophy, unveiling categories, dates, and prizes. 7 in total will be the categories, including Mini MAX, Junior MAX, Senior MAX, DD2, DD2 Masters, E20 Senior, and E20 Masters.

The Mini MAX category will be present in the RM CET Winter Cup; the two Italian rounds in Franciacorta and Lonato will crown the RMC Euro Trophy Mini MAX champion. In Genk and Wackersdorf, Mini MAX drivers will compete in two single-event trophies: the RMC Belgian Euro Cup by Mini and the RMC German Euro Cup by Mini.

In 2024, there will be two electric categories: Rotax E20 Senior and Rotax E20 Masters, present in all four rounds of the RMC Euro Trophy.

The season will kick off on the weekend of March 10th at Circuito Karting Campillos, Spain, with the RM CET Winter Cup opening the European season.

The RMC Euro Trophy will officially start on April 14th at Genk, Belgium, a track steeped in the history of the Euro Trophy. The second round is scheduled for June 9th in Germany, at Wackersdorf, which is officially back on the RMC Euro Trophy calendar.

The final stint of the season will be held in Italy, with the debut of Franciacorta Karting Track in the Rotax MAX Challenge Euro Trophy calendar on July 7th and the final round at South Garda Karting in Lonato on September 1st. The Lonato event will be a special one since for the first time the race will be held at night.
